TOURNAMENT DETAILS

A team defaults if they fail to start within the notified time, unless special circumstances apply

Each quarter will be 8 minutes stop-clock, with a 3-minute half time break following the 2nd quarter and a 2-minute quarter time break after the 1st and 3rd quarters

We will be operating the 24 second shot-clock in the first division.

Each team will be allocated one time out per quarter.

When a team wishes to call a time out or make a substitution, they must inform the bench, who will then notify the referees when there is a stoppage in play. Players who are about to be subbed onto the court are to wait in the substitution box next to the score bench.
